Addendum 1

Qualifying and Final Series Formats

1. INTRODUCTION

1.1. This addendum applies when boats are divided into flights/fleets to sail a qualifying series and a final series.

2. QUALIFYING SERIES

- 2.1. Initial assignments will be made by the race committee and will be posted by 2000 on the evening prior the first race. Boats will be assigned to flights of, as near as possible, equal size and ability.
- 2.2. In the qualifying series boats will be reassigned to flights after each day of racing.
- 2.3. If all flights have completed the same number of races, boats will be reassigned on the basis of their ranks in the series. If all flights have not completed the same number of races the series scores for reassignment will be calculated for those races, numbered in order of completion, completed by all flights.
- 2.4. Reassignments will be made as follows:

	Two flight format	Three flight format	Four flight format
Rank in Series	Flight Assignment	Flight Assignment	Flight Assignment
1st	Yellow	Yellow	Yellow
2nd	Blue	Blue	Blue
3rd	Blue	Red	Red
4th	Yellow	Red	Green
5th	Yellow	Blue	Green
6th	Blue	Yellow	Red
7th	Blue	Yellow	Blue
And so on			

- 2.5. Reassignments will be based on the ranking available at 2100 that day regardless of protests or requests for redress not yet decided.
- 2.6. If all flights have not completed the same number of races by the end of a day, the flights with fewer races will continue racing the following day until all flights have completed the same number of races. All boats will thereafter race in the new flights.
- 2.7. If four races have not been completed on the second day of the qualifying series, the qualifying series will continue until the end of the racing day in which a fourth qualifying race is completed.
- 2.8. If at the end of the qualifying series some qualifying series flights have more race scores than others, any extra races will be abandoned so that all boats in the qualifying series have the same number of race scores.

3. SCHEDULE – replaces NoR RACE SCHEDULE

Monday August 9	Qualifying series
Tuesday August 10	Qualifying series
Wednesday August 11	Qualifying / Final series
Thursday August 12	Qualifying / Final series

- 3.2. The qualifying series races and the final series races will count for total points in the championship.
- 3.3. A qualifying series race will not count until all qualifying series flights have completed that race.
- 3.4. If five or more qualifying series races have been complete, the worst qualifying series race score will be excluded when calculating the division into final series fleets.
- 3.5. If only one final series race is completed it will not be excluded.
- 3.6. If two or more final series races are completed, then a maximum of one final series race score may be excluded.

5.3. The final series fleets will be, as nearly as possible, of equal size but so that the Silver fleet is not larger than the Gold fleet and the Bronze fleet (where it exists) is not larger than the Silver fleet and the Emerald fleet (where it exists) is not larger than the Bronze fleet. Boats with the best qualifying series ranks will race all final series races in the Gold fleet; boats with the next best qualifying series ranks will race in the Silver fleet; boats with the next best qualifying series ranks will race in the Bronze fleet (where it exists); and boats with the next best qualifying series ranks will race in the Emerald fleet (where it exists).

5.4. Any recalculation of qualifying series ranking after boats have been assigned to final series fleets will not affect the assignments except that a redress decision may promote a boat to a higher fleet.

5.5. Different final series fleets need not have completed the same number of final races. The boats in the Gold fleet will be ranked highest, except for a boat disqualified from a final series race under RRS 69, Regulation 21, Regulation 38 or Regulation 35.
